**How We Will Calculate Your Balance:** We use a method called “average daily balance (including new purchases).” See your account agreement for more details.

**Variable Rate Information:** Your APR may vary. Rates are determined and adjusted monthly on the third business day by adding a Margin to the highest Prime Rate published in the Wall Street Journal on the first day of the previous month. The Margin is based on evaluation of each Cardholder’s credit history. The margin will range from 4% to 7%.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.
